2	8/8/2017	Participation in other activities designed by the station employment unit	On August 8th, 2017, Whitney Moore went up to Northwest Missouri State University to speak to approximately 25 current and recently graduated college students about the transformation process from college students to working professionally in broadcasting. She helped to give them advice about how to get into the broadcasting industry, and gave them advice on how to enhance their demo tapes as well. This was part of the National Radio Talent System, who from their website describe themselves as, "made up of multiple Radio Talent Institutes located on colleges and universities throughout the United States. Each Institute brings in broadcast professionals from around the state and country to act as Guest Professional Faculty, and to teach all the sessions during this intensive 10-day summer program.(http://nationalradiotalentsystem.com/) I spoke at the Missouri Broadcaster Association Radio Talent Institute on August 8th from approximately 2:30- 5:45	1	On Air Personality
